News from Your Governor

Just getting back into the swing of being governor again and as usual, I am pushing Pat's deadline for the newsletter.

All of our snowbirds are back in the nest and the social quarters has been seeing a lot of activity. Take a break from your yardwork and stop by the lodge for beverages and conversation. Darts, pool, cards, shuffleboard, and horseshoes are just some of the activities going on throughout the summer. Don't forget to check out the classic cars in our parking lot each week.

Check your newsletter calendar for times and days for all events.

If you have a little time and ambition, volunteer some of it to help with the grass cutting and trimming this summer.

Be safe and see you at the Lodge.

Tim Whiting

From Your Sr. Regent

Thanks to all who attended the orientation on May 22. A special thank you to Carol Lynn VanNorman for organizing the entire event - putting together the brochure, ordering the food and setting up the agenda. Also, a thank you to all who helped in any way to make it a success.

We are still in need of a secretary for the WOTM. Our meetings are twice a month on the 1st and 3rd Thursdays. The minutes do not have to be typed - just taken. Please help us out if it is at all possible. We need volunteers.

Mark Friday and Saturday June 3rd and 4th down on your calendars. as that is when the WOTM are having their annual rummage sale. One person's junk is another person's treasures. If you have junk you would like to turn into treasures, bring them over to the lodge any day after 2 pm or bring it on the 2nd after 1 pm. as that is when we will be setting up for the sale.. Feel free to come and help out. We also need volunteers to help on Friday and Saturday during the sale.

There are all kinds of activities going on at the lodge Monday through Thursday evening. Come check it out.

Your Sr. Regent,
Hedy Alcock

Notes from Your Treasurer

Another month has come and gone! Time flies and the weather is finally beautiful.

Each month seems to grow more exciting at your Lodge. Membership is booming and some of the new members have even stepped up to volunteer their time and skills. Special "thanks" to Dennis Allore for his many donations to our "eating" enjoyment – his donuts have been great <u>but</u> his multiple gifts of steaks have made several surprise pot lucks very successful! Also, John Smarr not only has cooked and helped around with various Moose projects, but he joined the Board as a 3-year Trustee. Sincere thanks to **<u>all</u>** who go out of their way to wash dishes, mow, trim, clean and keep the Lodge looking great.

The WOTM planned a "very successful Orientation & Dinner." We had almost 70 new

and long-standing members attend and view the 30 minute "***Moose Proud***" DVD and enjoy the free chicken dinner. Much great information showed "why" we are Moose members – to make our community better and to promote the continued growth and programs of Mooseheart and Moosehaven. Many KUDOS to the great women of your Lodge.

We have added more seating and another bar regulation pool table for the members and guests.

Lastly, please look over each month's calendar and plan to join us in the many, many events that are happening in the Lodge. It is great to see the parking lot filled with vehicles on most days and nights.

Please get excited about being a Mio Moose member. We need each and every one of our members to become part of the fun and friendship that is booming in the Mio Lodge.

Your Treasurer, Larry

Annual Rummage & Bake Sale

Once again we would like to remind you that the WOTM are preparing for their annual Rummage & Bake Sale, June 3rd and 4th from 9 a.m. til 4 p.m. This sale supports our Moose and local charities and has always been a success, because of your generous support with donated treasures or wonderful bake goods. Please while you're doing your spring cleaning keep the upcoming sale in mind. Items can be dropped off at the Lodge beginning any day after 2 p.m. Please no clothes or TVs! Bake sale items will be accepted June 2nd, 3rd or 4th.

For additional information or if you would like to help on the days of the sale, please contact me. SET-UP will be on June 2nd immediately following the WOTM meeting.

Hunter's Ed Class

Mio Moose Lodge #1035, Woodhaven Log & Lumber, Luzerne Hardware and Dan Blamer of H&R Block once again have been generous enough to help sponsor a Hunter Education Class in Mio. This will be our 24th year in the history book for a Moose sponsored community service project for our local youth to attend a free DNR Hunter Safety Class. Date is Saturday, June 11, 2016, from 8 am to 4:30 pm.

A few side notes: 1) Our class is exploring in nature with emphasis on Ethics, Safety and Responsibility. 2) Our style of teaching is stations with hands on. We spend 80% of our class time working with visual aids and "you let me do it."

Mio WOTM Training Session

We are pleased to announce a Women of the Moose Training Session is scheduled at our Lodge on **Saturday, June 18** - 10 am - 4 pm. All co-workers are invited to attend this Training. This is both informative and a chance to network with others. Installed Officers and Chapter Chairmen are encouraged to attend.

In order to earn personal honors, the Sr Regent, Jr Grad Regent and Recorder shall attend an annual session before January 31.

The Chapter pays the registration fee for us, so few excuses are accepted.

WEDNESDAY PATIO GRILLING

.

We cook by order only, Hamburgers, Cheeseburgers, Hot Dogs and French Fries which are available from 5:00 PM to 7:00 PM. We continue to need volunteers to assist. We set-up at 4:30 PM and clean-up until done, around 7:30 pm. Please give Bev Gardner (989) 826-5741 a call if you are interested in setting up a team (4 or 6 people) or joining a team. Come for dinner……We'll be looking for you!
