FROM THE DESK OF THE GOVERNOR

Hello to all my Moose brothers,
Summer is coming to a close and let me first thank you for what I believe was a very successful one. Our steak roast and burger nights on Friday nights have been a success thanks to all of the volunteers. As I have said before our lodge will only succeed with the help from all of you. Those of you have been to the lodge lately have noticed a new large screen tv. We would like to thank Wayne Navarre for purchasing the television for us. The old tv was on its way out and we needed it replaced immediately so Thank you Wayne. As the fall quickly approaches we are looking for more volunteers to help our lodge continue to grow. If you can help out in any way from cooking a meal, to setting up or cleaning up an event it would be greatly appreciated. We are going to be making some changes in the near future to our drink prices and specials so keep your eyes open. There will also be a membership drive starting for the men and the women on Tuesdays to go along with our very successful name that tune. Don't forget that every time you sign up 2 members your next year dues are paid for by Moose International. I would also like to add that it has been a pleasure to work side by side with the Women of the Moose. Thanks to their support, we have been able to move in the right direction. We as a board are trying to bring this lodge back to its former glory that has seemed to go away over the past ten years. We have a lot of events coming up in the fall and I expect to see you all along with your families here for a good time. Don't forget dart league will be starting up soon as well on Thursdays.

Fraternally yours
Governor
Steven A. Bryant

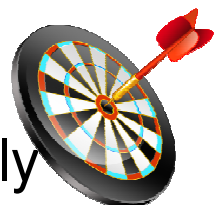

FROM THE DESK OF THE SR. REGENT

Hello Fellow Moose!
What a great summer! I can hardly believe that summer is coming to an end, the kids are going back to school, and the heat wave is finally over (hopefully)! There have been a lot of great things going on at the lodge lately, and I look forward to many more to come. Many of the summer events have been put on by a joint effort with the men and women board of officers, which has been a blast. It is great to be able to work side by side with the men's board. Thank you for all those members who have stepped up, in so many countless ways, to help the lodge. All the breakfast, burgers, steaks, karaoke, and other events would not be possible without the continued support of our Monroe Moose members of Lodge 884 and Chapter 714. We are always looking for volunteers so if you can help, in any ways, please let us know. I look forward to fall and all the fun-filled events to come. THANK YOU!
